| 12 | 26 | Boxing Day                                 |

## Note:

Hindu festivals are declared according to local astronomical observations and variations may occur. Muslim festivals are timed according to local sightings of various phases of the moon and the dates given above are approximations. The actual dates are determined one to two weeks beforehand. When a public holiday falls on a Sunday, the holiday will be observed on the Monday following immediately. When two public holidays fall on the same date the following date is also given as a public holiday.
