### Note:

Muslim festivals are timed according to local sightings of various phases of the moon and the dates given above are approximations. During the lunar month of Ramadan that precedes Hari Raya Puasa, Muslims fast during the day and feast at night and normal business patterns may be interrupted. Some restaurants are closed during the day and there may be restrictions on smoking and drinking. Some disruption may continue into Hari Raya Puasa itself and Hari Raja Qurban may last anything from two to 10 days, depending on the region. Buddhist festivals are also timed according to phases of the moon and variations may occur. In Kelantan and Terengganu the Weekend is Thursday afternoon & Friday.
